

Breaking the Spirit of Delay

Here it is Lord that I have received so many prophetic words about having children. There has been confirmation after confirmation for so long. So, Lord what happened? Where is the manifestation of my pregnancy? Where is the promised child? I've fasted, I've prayed and said daily confessions. Lord, what is holding me back?

Prayer: Psalm 51:1-2 Have mercy upon me, O God, according to thy loving kindness: according to the multitude of thy tender mercies blot out my transgressions. Wash me thoroughly from mine iniquity and cleanse me from my sin.

We humbly come to you today father in the name of your son Jesus Christ. Let the spirit of the living God fall afresh on me now. Father God, I have been wanting this baby for so long and sometimes I try not to be weary in well doing while waiting for the fulfillment of this promise. There has been a lot of hurt, pain, frustration and confusion during this process but I know that you are still able. Delayed but not denied. For the bible says in Joel 2:25 I will restore the years that the locusts have eaten, the cankerworm, and the palmerworm.

In the mighty name of Jesus Christ, I bind that spirit that is responsible for hindering and withholding my promised child. I command you hindrance and delay to leave me now! Get out of my body. Loose my reproductive organs and let them go. In Jesus name.

I now take authority over all ungodly spoken words that were assigned to block and obstruct my pregnancies. With the word of God, I say that by his stripes I am healed. I undo all damages done to my physical body in the name of Jesus. You unproductive, fruitless childless leave me now! I command every dark cloud over my life to leave. In Jesus name, every demonic soul tie be broken in the name of Jesus. I come against impediments, hindrances, setbacks and all unproductivity. I command you to go! Right now!

I decree and declare that I have now come into a season of fruitfulness and productivity. I will overcome, conquer, defeat and triumph over infertility. I refuse to be barren.

In the name of Jesus, I release over myself the ability to prosper and succeed. God's blessing and anointing to bear children is being poured out on my life. I will maintain and carry a full-term healthy pregnancy. I supernaturally position myself to get into the NOW ZONE. Where the impossible is possible. I take my stand as a child of God and I declare to the heavens and earth that this is my time and season. I'm breaking through and breaking forth. God is hastening his word to perform it in my life. Children are my heritage from the Lord and the fruit of the womb is my reward. I believe God. Lord, I trust you. This is my time of refreshing, this is my time of new beginnings. IT'S MANIFESTATION TIME! I can have what God says I can have and I can do what God says I can do. I believe the report of the Lord. In Jesus name amen
