

Prayer To Receive Pregnancy

O give thanks unto the Lord.

I thank the Lord, because I am fruitful. I thank the Lord because I am a happy mother of children. For, I am fearfully and wonderfully made by him. Psalm 139:14. Though, I walk in the mist of trouble, thou will revive me, thou will stretch forth thine hand against the wrath of my enemies and thy right hand shall save me. Even though, I walk through the valley of the shadows of death, I will fear no evil because God is with me.

My heart is fixed trusting in the Lord. I will receive the blessings of the Lord and righteousness from the God of my salvation. My mourning shall be turned into dancing. Today, I put on the garment of praise and cast down the spirit of heaviness. God has given me his gladness. I am anointed with the oil of joy. The Joy of the Lord is my strength.

I receive strength to conceive and carry a seed to full-term. For my body is the temple of the Holy Spirit whom I have received from God, if anything defiles the temple God will destroy it. Right now, I yield this body to you JESUS, my Lord, Savior and Redeemer. This day, I come out of agreement with reports of failure and doubt. Your word says, if two on earth shall agree as touching anything it shall be established. So, I agree with you Lord. I agree that I am fruitful highly blessed and favored by you. I agree that you have already given me my healing to conceive RIGHT AWAY! I agree that darkness must leave and everything that has been hindering me must come to an end. In Jesus Name.

I thank you Lord because the Angels are here to assist me as I advance in this prayer, I declare that the fire of the Holy Spirit is moving throughout my entire body. Just like clay in the hands of the potter, my reproductive organs are now being brought into perfection by you.

Jehovah Rapha, I praise you, I lift up my voice in thanksgiving and gratitude. All praise, glory and honor belong to you. I give thanks to your name because I am now TOTALLY HEALED from infertility. My womb is open and ready to receive. All conditions like PCOS, Endometriosis, uterine fibroids, tumors, blocked fallopian tubes and pelvic inflammatory disease are far from me.

For, he was wounded for my transgressions and bruised for my iniquities. The blood of Jesus paid for it all. This is my time of VICTORY, I am a OVERCOMER, NEW BEGINNINGS are here and I can do all things through Christ that strengthens me, this includes having children. In Jesus' name amen.
